Peter said to him in reply,  
"Lord, if it is you,  
command me to come to

## REFLECTION

Fr. Aaron Laskiewicz set his sights on becoming a priest in first grade. He received support for his vocation from family and friends, and Fr. Mike Ignaszak, his home parish pastor, who became his mentor. Fr. Aaron was ordained a priest on May 19, 2018. Besides his love of Christ and the priesthood, he is also a devout Packer fan.

Happy Patronal Feast Weekend! I hope this week we can all take some time in prayer with Dominic and thank him for the gifts we've received as a parish through his intercession. Patronal Feasts are special days in the life of the Church. As a seminarian, I remember celebrating St. Francis de Sales at the end of January. Of course, being the seminary, there were many events held for benefactors, priests, and the seminarians. I remember the week of the feast bringing about an air of excitement in the house. We would have many guests, and special Masses with all the bells and whistles (literally!) all in honor of St. Francis de Sales.

This year, we won't have the customary celebrations we're used to.

However, don't let the feast of our patron just pass by. This weekend we should be especially proud to be members of St. Dominic Catholic Parish, and in our own special way, celebrate all this parish has to offer. Moments like this are reasons to look back on a tremendous history of serving God's people. They are a cause of joy for the ministry being done today serving not only our community, but that of the Archdiocese. Finally, they cause us to look ahead to the future with great hope and excitement, waiting to see where God will call us next.

Praised be Jesus Christ for the gift of our great patron!

St. Dominic...PRAY FOR US!

## ANNOUNCEMENT

### Farewell to Deacon Jim Matthias

We have just been informed by Deacon Jim Matthias that he has been reassigned and will be moving on.

Deacons are not ordained for an individual parish, but for the archdiocese, and, just like a priest, receive assignments.

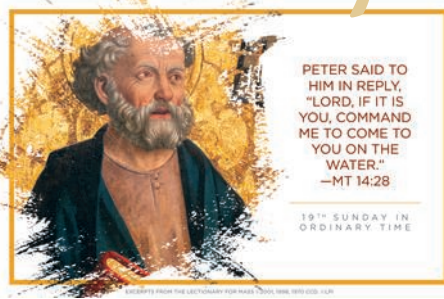

We have been fortunate to have Deacon Jim with us these last two years, but the need is great for his services in other parishes. Jim has been assigned to work with my old friend, Fr. Peter Patrick Kimani, at St. Sebastian and St. Catherine parishes beginning in October. Deacon Jim will be with us through September 12/13. This same weekend, God willing, we will be offering a congratulations to and welcoming newly ordained Kurt Peot to our parish.

If you see Deacon Jim, congratulate and thank him for the great contribution he has made to our parish.

~Fr. Dennis

## SMALL GROUP DISCUSSION

### Faith and Racial Healing

**A small group conversation on the history of racism in light of our faith.**

*Have you been struggling to engage with the current racial justice movement and wondering how to understand it in light of our Christian faith? Have you been wanting to educate yourself on the history of racism in this country, but don't know where to begin? Have you been looking for a community of Catholics to discuss these issues with?*

Join Claire Ziolkowski, Adult Minister, and other parishioners in a small group experience designed for anyone who truly wants to engage these issues with goodwill and an open heart, through a faith-based lens. It will provide a safe environment for honest, compassionate discussion supported by prayer and community. Participants will be accepted for where they are in their process of understanding racial justice, but challenged to learn more about systemic racism and the continued impact it has on all people, most especially our brothers and sisters of color, and discern a particular mode of social action.

Beginning in early September, the group will walk through JustFaith Ministries' 10-week Faith and Racial Healing program. In addition to prayer and discussion, the group will read three books together as part of the discussion content: "The Color of Compromise," by Jemar Tisby, "40 Days of Prayer for the Liberation of American Descendants of Slavery," by The Angela Project, and "Post Traumatic Slave Syndrome: America's Legacy of Enduring Injury & Healing," by Dr. Joy Degruy. The cost of the program is \$40, to cover the cost of the books.

If you are interested in participating, or would like more information, please contact Claire ASAP at [claire.ziolkowski@stdominic.net](mailto:claire.ziolkowski@stdominic.net) or 262-781-3480. The deadline to register is Wednesday, August 19, 2020.

## REFLECTION

### Being Human is to Doubt

Humans doubt. It's what we do. We doubt ourselves and we doubt others. Before any of us say anything about Peter's doubting the words of Jesus that told him he could get out of his boat and walk on water, we need to get real with ourselves: How would I respond in the same situation?

Much of our doubt comes about because of a lack of trust in God. We place our trust in material things, wealth, or imperfect people instead of the One who is worthy of our trust 100 percent of the time. Our stewardship is often hampered by our doubt that God will provide all that we need. If I give more, I may not have enough to survive! When we place all our trust in God, not only do we find that we have been given all we need – our doubt, that cause us to sink in the pool of life, fades away.

We don't suddenly become perfect in our trust, and there will be times when we find ourselves with concerns again. However, it is in those moments we find that He is still there, speaking the words we need to hear: "Take courage, it is I; do not be afraid."

# Serve & Share

## Child Ministry Catechist and Co-catechists

Child Ministry formation classes are set to begin in mid-September. We are in need of catechists and co-catechists to help in our classrooms on Sundays at 9:00 AM for K3-K5, Mondays at 4:45-6 PM and Tuesdays at 6:15-7:30 PM for K5-5th grade students. All volunteers over age 18 must have completed the Safeguarding All God's Family Training through the Archdiocese of Milwaukee and have a background check completed before the start of the year. This training is currently offered online! See below for more information. This is a great opportunity for high school students to serve and give back to the children and families of the parish. If you are interested in learning more, please contact Mrs. Stacey Irvine, 262.781.3480, Ext. 251 or [stacey.irvine@stdominic.net](mailto:stacey.irvine@stdominic.net).

## Safeguarding All God's Children Training

All safe environment education training sessions for the month of August will be conducted virtually in accordance with the guidelines laid out in the Catholic Comeback matrix.

The Archdiocese of Milwaukee has a partnership with Catholic Mutual Group to provide Safe Environment Education. To learn more go to <https://www.archmil.org/offices/safeguarding.htm>

## St. Vincent de Paul Weekend

Please do NOT drop off any donations for St. Vincent de Paul at this time. We do not have room to store items on campus. Please store your items at home until our upcoming St. Vincent de Paul collection on September 19/20, 2020. A truck will be onsite that weekend.

- 37 new families and counting!
- 400 students enrolled in our school to start the 2020-2021 school year
- 2 new water bottle filling stations
- 20 touchless thermometers ready to go

### Welcome new staff!

We are so thrilled to be able to continue announcing new staff members to our community. God has been so good to us! Please welcome **Mrs. Teri Dempsey** as our Kindergarten Connection teacher and **Mrs. Katie Gilson** as one of our Learning Support Team paraprofessionals to our Knight team! Mrs. Dempsey comes to us from our friends down the road. Over the last 8 years, Mrs. Dempsey served as educational assistant in their K3, K4, and K5 classrooms at St. John Vianney. Ms. Dempsey has her BS in Community Engagement and Education from UW-Milwaukee and has related work experience with summer camps, set designing, and forensics. She and her husband live in Brookfield with their dog, Teddy. She is super excited to be joining us at St. Dominic Catholic School and can't wait to meet the Knights. Mrs. Gilson is also joining us from friends down the road, but on the other side of the street! For the last 5 years, Mrs. Gilson has worked with the students at Brookfield Central high school as an AVID instructor and special education teaching assistant. She carries a BS in Education and a MS in Special Education from the UW-Madison. Mrs. Gilson also lives in Brookfield with her family and is very excited to be returning the elementary setting. She is looking forward to being a part of a team that makes such a difference in the lives of students.

### The Plan for the Safe Return to School

On July 30, the school released its plan for the safe return to school known as the Crisis Plan for a Pandemic as the plan reaches further than our current situation in its development. We invite our community to review our plan. It is available through the school website under Family and Resources.

### Recess Help Needed

Thank you to the families that have responded to our need. We are looking for an additional person each day from 11:45 AM-12:30 PM to ensure the safety of each of our Knights, when they play outside. Please consider sharing your time. Please contact Mrs. Fischer, our principal, at [jill.fischer@stdominic.net](mailto:jill.fischer@stdominic.net).

### Want to be a Knight for Christ?

St. Dominic Catholic School is enrolling students for the 2020-2021 school year. We are intending to open face-to-face five days a week to meet our mission, unless it is deemed unsafe for us to do so by the Waukesha Health Department. We have openings in K3, K4 PM and full day, and grades 1-8. Please contact Mrs. Fischer, principal, with your questions or to schedule a tour at [jill.fischer@stdominic.net](mailto:jill.fischer@stdominic.net).

Redemptorist Retreat Center—Oconomowoc

## Silent Preached Retreat for Men

**September 18-20, 2020: Redemptorist Retreat Center, Oconomowoc.**

**Theme: “Living in a Time of Plentiful Redemption”**

Recent times have underscored our ongoing need to find a sense of equilibrium in our lives. Our sense of well-being has been shaken by the health pandemic, economic uncertainty, and issues surrounding equality and justice for all. We continue to deal with our own personal and interpersonal challenges. Questions around the presence of God and how God is speaking to us surface again and again.

The Good News is that we have a God of all seasons. God continues to reveal and be revealed to the person of faith. It is God’s Son who offers to us the gift of plentiful redemption which, remarkably, is often more present in times of uncertainty and unrest. We need to tap into that presence as individuals and as members of a faith community.

Our retreat theme develops this idea through a variety of perspectives. In prayer we open our lives to God and allow God to open God’s presence to us through more transparent communication. By learning to trust we allow God’s Word to be more fully implanted in our lives, as it was in the life of Mary the Mother of God, so we can see God as the source of strength even when things around us are challenging.

Plentiful redemption is not a concept to be looked for after our life has ended. Plentiful redemption is alive at this very moment. When we come to realize this gift we can more easily face today with a sense of gratitude and joyfulness so we can, in turn, live and, in a sense, be the Good News.
