PARTICIPANT AGREEMENT

As a participant in St. Dominic Summer Trips, I understand that the purpose of a summer trip is to take me out of my normal routine and focus on my relationship with myself, others, and God. I understand that I will be challenged to try new things, be present to others at camp, and to work on deepening my relationship with God. I understand the more I put into this experience, the more I will get out of it; therefore, I agree to follow these guidelines:

1. I understand that I will be representing St. Dominic Parish and the Archdiocese of Milwaukee. Responsible behavior and good judgment is expected of me and I accept that expectation. Therefore, inappropriate touch, gesture, language, or activity of a sexually offensive nature is unacceptable. Failure to follow this policy will result in me being sent home at my family's expense.
2. I will attend the meetings and preparation events as scheduled. Failure to do so could cause me to lose my spot on the trip and forfeit all payments made to that point.
3. **I understand that being allowed to bring my phone to camp is a privilege! I promise not to abuse this privilege by letting it become a distraction from the camp experience.** I agree to ONLY use my phone to listen to music on the drive to and from Wisconsin, to take pictures at camp, to call home once during the trip, and to communicate with my chaperones. I will not be using my phone during free time, I will not text or Snap Chat friends back home, I will not post negative pictures or comments on social media, and I will have only appropriate music (no profanity or degrading lyrics) on my device. I understand that my phone can be confiscated for any of the above reasons at the discretion of my chaperones and it will not be returned until we arrive back home to St. Dominic.
4. We understand that we are responsible for the full cost of said trip. I understand that I may get a partial refund if I need to drop from the trip, based on the information in the handbook. I further understand that I may be still responsible for paying for my spot if it goes unfilled. I will participate in needed fundraising opportunities to help defer the costs of my trip if needed. Dropping from a trip and defaulting on payments will affect my ability to participate in other ministry opportunities, including sacramental prep.
5. **Possession or use of any illegal drugs, alcohol, e-cigarettes, weapons, or pornographic material is strictly prohibited while partaking in any student ministry event.** I understand that at a minimum, my parents will be contacted **and I will be sent home from the trip at any point at my own /my family's expense without a refund of the trip expenses.** I understand in some cases the local authorities may be contacted as well. I understand that violating this guideline puts my future participation in other student ministry programs in jeopardy.
