“STUDENT ADMISSION POLICY: The school does not discriminate on the basis of race, color, national origin, ethnicity, gender or disability in the administration of its admissions policy. The school admits students of any race, color, national origin, and ethnicity as all are recognized as children of God. The final decision for admission, instruction, and retention of any student rests with the principal or pastor.

The following priorities will be used to determine admissions to full classes at St. Dominic Catholic School.

1. Children who are presently enrolled as of the present school year. This priority will be forfeited if the children leave school.
2. Children of families with siblings currently enrolled in St. Dominic Catholic School who are active, registered parish members.
3. Children whose parents/guardians are active, registered St. Dominic Parish members. Enrollment priority for this group will be based on the following order:
 - a. Those on the present year’s waiting list and who have requested consideration for the coming year
 - b. St. Dominic Catholic School Registration Form receipt date
 - c. St. Dominic Parish enrollment date
4. Children of St. Dominic Catholic School teachers and other parish staff members.
5. Children whose parents/guardians are not registered St. Dominic Parish members in the following priority order:
 - a. Families who were on the present year’s waiting list and request consideration for the coming year
 - b. Families of other Catholic parishes
 - c. Families of other religious affiliations

The administration will give careful consideration to the admission of students with special needs in keeping with its mission to teach every student about Jesus Christ and the Catholic faith and its traditions while building a strong foundation of academic excellence, but is not required to enroll, re-enroll or continue the enrollment of students whose needs cannot be met with reasonable accommodations.”
