

Mission Trip Participants,

The sponsor letter fundraiser is a great and easy way to let family members know about your mission trip this summer and to ask for their prayers and also financial support. This has been a **VERY** successful fundraiser for teens in the past, with a number of students getting enough donations to cover their entire trip!

For this fundraiser, we are asking you to write your own personal letter to friends and family. The letter will have more meaning, being written by you and not an impersonal, generic -feeling form letter. **Once you have written the letter, you can submit them to us and we will print them on letterhead for you.** You can then pick them up and mail them out to your family members and friends. A sample letter is attached to this letter to help give you an idea of how to write your own letter. Good points to include in your letter are:

- Where are you going on your trip?
- What will you be doing?
- Who are you going with?
- How much does the trip cost?
- Why did you decide to go on this trip this summer? What are you most excited for?
- We need their prayers for the camp/mission trip to be successful!

Remember, we are here to help you out! I recommend writing a rough draft and then scheduling a time to meet to go over it. Writing the letter may seem like a daunting task, but adding the personal touch is always more effective and more meaningful to the reader. By putting time and effort into this simple fundraiser, you will be surrounding yourself and fellow peers in prayer and gaining financial support.

Dear Grandma & Grandpa Schueller,

This summer, I have the amazing opportunity to be a part of St. Dominic Parish's mission trip program. I will be traveling to New Orleans, Louisiana to help the local community rebuild after Hurricane Katarina. I decided to go on this mission trip to help those who have lost everything in the hurricane, clean-up and help restore a sense of normalcy to their lives. I am traveling with a group from my parish, and will be joined by a number of different groups from across the country. I am looking forward to meeting new people, learning new skills and making memories that will stay with me for the rest of my life!

This life-changing experience will certainly carry considerable costs, and as such, I am responsible for fundraising \$900 to make this trip a reality. To reach this end, I am hoping that instead of a Christmas gift this year that you will help sponsor my mission trip with a prayerful and financial donation. All contributions of any sizes are definitely appreciated (and are also tax-deductible).

As you consider supporting this worthy endeavor, please remember, some give by going; others go by giving! During my mission trip, I will be keeping all of my sponsors and their intentions in my prayers for allowing me to go and serve those in need. I commit to sharing my mission trip experiences and reflections with you and my parish community after my return. If you are interested and able to support my mission trip experience, please fill out and return the enclosed page. In about a week, I will contact you to follow up with your decision.

If you have any further questions or concerns, please do not hesitate to contact me or my Student Minister, Erika Reinders, via e-mail at [erika.reinders@stdominic.net](mailto:erika.reinders@stdominic.net) or via phone at 262.781.3480 ext. 250. Thank you in advance for your support!

Love your favorite Grandson,
